READ—

Government Order No. D. 3238—Edn. 138-28-2, dated 15th September 1928, sanctioning the rates of remuneration to be paid to Examiners for the Mysore Middle School and Lower Secondary Examinations.

2. Government Order No. D. 4088—Edn. 221-29-2, dated 16th October 1929, issuing certain modifications to Rule II (a) x (a) and x (b) of the rules for the Mysore Middle School and Lower Secondary Examinations.

3. Letter No E. 2-2247—55-29-30, dated 8th November 1929, from the Director of Public Instruction in Mysore, stating that consequent on the issue of the second of the Government Orders read above, a slight re-arrangement was found necessary in the scales of fees prescribed in the first of the orders for valuing the answer papers in the language subjects for the Middle School and Lower Secondary Examinations, that for reasons explained some change is also necessary in the remuneration allowed for the examination in Domestic Economy and Needle-work, that these matters were considered by the Local Examination Board at their meeting held on 28th October 1929, who have made the following recommendations and requesting sanction for the same:—

(1) That the rate of fees for valuing the answer papers in Text and Grammar of the Language subjects be reduced by one anna and that for valuing the answer papers in composition be enhanced by a similar amount since spelling and handwriting, which were originally judged from the Text and Grammar paper, will hereafter be judged from the composition paper.

(2) That for reasons stated, the rate of fee for setting the question papers in Domestic Economy and Needlework be raised from Rs. 25 to Rs. 50, the amount being distributed proportionately between the Examiners if there should be more than one and the fee of Rs. 25 now allowed for the Chairman of the Examiners in these subjects be saved by abolishing the post of Chairman, there being no necessity for one.

(3) That a remuneration of Rs. 50 be paid to the examiner who prepares the required number of sets of Needle-work materials for the use of the candidates as the work involved is fairly heavy and it is necessary to remunerate the Examiner.

ORDER No. D. 6636—EDN. 451-29-2, DATED 13TH DECEMBER 1929.

Government are pleased to sanction the recommendations of the Director of Public Instruction. The existing and the modified rates are as shown in the appended statement.
